SUPPORTING SEND TOGETHER – MHST ATTENDING

Friday 2nd October 2026

8:45-9:45

Join us at Supporting SEND Together for a relaxed, half-termly coffee morning at St Mary's Wavendon. For this session the MHST (Mental Heath Schools Team) will be joining us to share information and asnwer questions

Parenting a child with additional needs can bring its own joys and challenges, and it can help to spend time with others who have similar experiences. These coffee mornings offer a friendly, understanding space where you can share, listen, or simply be, no pressure and no expectations. Whether you're looking for conversation or just a quiet moment with a coffee, you'll be very welcome.
